2. Any other activities you feel would serve the community of Cameron will need to be approved with a green form **BEFORE** you do the service. The approval method is very specific, as to promote the integrity of the scholarship, so be sure you plan ahead and follow the steps thoroughly on the green approval form. **This form can only be obtained in the counselors' office.** Be sure to plan ahead for summer activities. Mrs. Stroud will only be available part of June. She will not be back to accept your forms until the last part of July.
