

Dual Credit Stay or Drop

If you are in danger of failing a dual credit English 1301, 1302, 2322, 2323, History 1301, 1302, Government 2305, or Economics 2301 before the “drop date”, you have a decision to make. There are two choices before Friday:

Stays in Class(es)

Passes Class(es)

No other repercussions

Does **NOT** Pass Class(es)

Owes YHS the price for the class(es)

Have to recover the semester credit(s) for graduation-required class(es)

Has a failing grade on high school and college transcript

Drops the Class(es)

Owes YHS the price for the class(es)

Have to recover the semester credit(s) for graduation-required class(es)

Does **NOT** have a failing grade on high school and college transcript

high school transcript would reflect the grade made after the credit(s) are recovered

college transcript would have a "W" for the class(es) dropped
