**Step 1: Core Courses**

All 7<sup>th</sup> grade students will take four core courses. Students have a choice between the levels in the Math and English Language Arts/Reading courses. Indicate the choice of your math class by circling the course selection. Please consult the course description section of this guide for description of each course.

**Math 8 OR Honors Math 8 OR Algebra I**

**English Language Arts / Reading 8 OR Honors English Language Arts / Reading 8**

**U.S. History 8**

**Science 8**
