

# PLEASE HELP IF YOU CAN

Hello, Ben Milam Elementary has adopted Nottingham Elementary School in the Spring Branch ISD. We will assist them through the difficult recovery process after Hurricane Harvey. Many families had their homes flooded and are in need of cleaning supplies, money, and gift cards such as Walmart, Target, Lowe's, Visa, Home Depot, etc. This will be a great humanitarian outreach for our community to assist these families. There will be a closed lid drop box for cleaning supply donations inside the front entrance of Ben Milam Elementary. Please send gift cards and money to Ben Milam office. We will use the money to purchase gift cards for the families.

Thank you

The Ben Milam Family
