Apply Texas – [Application Guide](#)

## College Applications

- 1) **2) Texas schools** – If you are applying to a Texas school, then apply through Apply Texas at [www.applytexas.org](http://www.applytexas.org) (Recommended if attending college within Texas)
- 2) **Common Application** - Complete this application online at [www.commonapp.org](http://www.commonapp.org)
- 3) **All other schools** - they will have their own application that will need to be completed.

Common Application (August 1) and Apply Texas (July 1) can be started this summer.

Keep a chart of all ID #'s & passwords assigned for quick access to Apply TX, Common App, College Board, ACT as well as ID #'s assigned by the college itself.

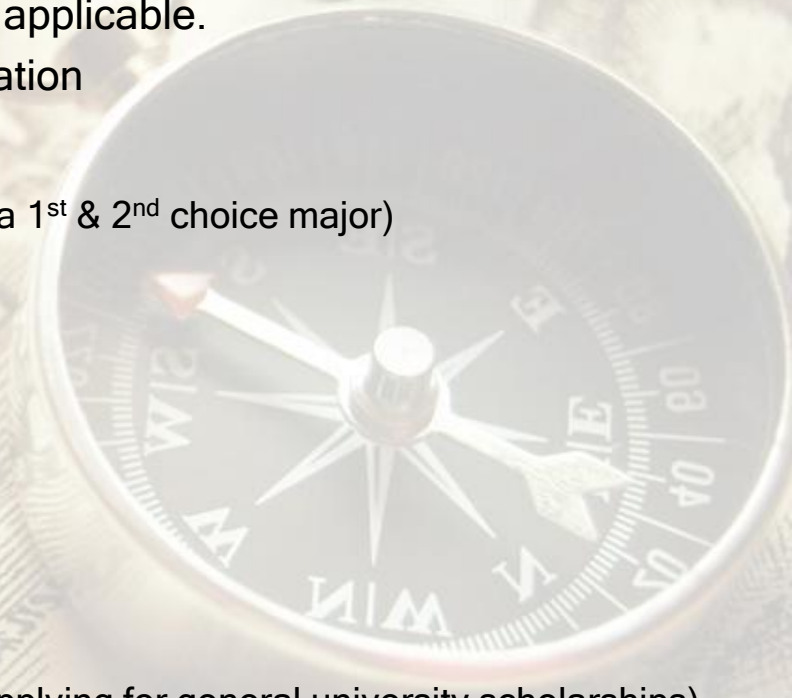

# What completes an application?

- All four-year colleges require: 1) an application, 2) an official transcript sent from YHS, 3) SAT or ACT scores sent from the testing agency (Some are still Test Optional) and 4) Self-Reported Academic Record (SRAR) if applicable.

Some colleges also require letters of recommendation

Online portion of the application requires:

- choice of major (if required - some schools request a 1<sup>st</sup> & 2<sup>nd</sup> choice major)
- biographical information
- educational background
- residency information
- extra-curricular activities
- volunteer, community service
- talents, awards, honors
- employment, internships, summer activities
- essays (if required)
- scholarship essays and short answer questions (if applying for general university scholarships)
- resume (if required)
- acknowledgement that applicant information is accurate
- fee for application to be processed (if required)

# What completes an application? (continued)

## 2. Transcript

- Transcript can be requested to be sent by emailing your counselor. Be Sure to give the full name of the College.
- Allow up to 10 days for transcript to be sent.
- Final transcript will be sent to the college attending, students will provide information where to send transcripts at graduation practice.

## 3. SAT/ACT Scores (Check if Test Optional)

- Colleges require an official score report sent directly from the testing agency.
- Scores can be sent to 4 schools at no charge as part of test registration or an applicant can wait on scores and pay a fee to SAT/ACT to send scores.

- \* Plan early for requesting transcripts and test scores to be sent to meet deadlines.
- \* Dual Credit coursework: the college you attend will require a transcript from Temple College to determine if college credit has been earned. You must order this through Temple College Self Service section.

# Regular Decision, Early Action, and Early Decision

Deadlines: Pay close attention to application deadlines!

- **Rolling Admission or Regular Decision:** The vast majority of students who apply to a given institution will do so through Regular Decision. While the application submission deadlines will vary between institutions, Regular Decision deadlines typically fall in early January, and offers of admission are sent out in late March or early April. These students will have until Spring to either accept or decline their offers.
- **Early Action:** Students will submit their applications before the regular deadline and will be informed of their admissions decision soon after (typically in January or February). Although the students apply and may be accepted, they are not committed to their Early Action school, and have until Spring to either accept or decline their offers of admission.
- **Early Decision:** Similar to Early Action, students will submit their applications before the Regular Decision deadline and receive their admissions decisions soon after. The most significant difference is that Early Decision is **binding**, which means that any student who applies and is admitted to a school through Early Decision is expected to enroll. Early Decision applicants typically require some type of signed form that indicates the intention to enroll upon admission.

# What is SRAR

- This is a Self Reported Academic Record
- Only required by a few schools
- DO NOT go off memory or guess when entering this information - **USE YOUR TRANSCRIPT**

Some schools that require or highly recommend SRAR:

Baylor

Texas A&M

Texas Tech

University of Houston

University of Texas

# Letters of Recommendation

## Counselor Letters of Recommendation

- Counselors write a letter of recommendation for any school that requires it
  - *Common Application schools often require letter(s).*
- Larger public institutions usually do not require a letter. Acceptance at these institutions is based upon the student's application which includes their essay(s), ACT/SAT test scores and the student's transcript which shows strength of schedule and grades earned. Student should check the college website to see if they will need a letter of recommendation.
- If you are applying to a school or for a scholarship that requires a counselor letter of recommendation, students must provide a resume to the counselor at least *two weeks prior to your first deadline*.

# Recommendation Letter

- **If your school requires a recommendation letter:**

- Choose someone who knows you well enough to write the letter for you. This may be a teacher, coach, employer or friend of the family.
- If your school specifically asks for the school counselor to write the letter, you will need to email and provide a resume.
- Please allow 2 weeks from the date you turn in the profile for the letter to be completed.
- Recommendation letters are mailed directly to the school.

**If the letter is not required, it will not be considered for acceptance.**

# Application Overview

In order to apply, you will need the following items:

- Application
- Application Fee
- Official Transcript
- SAT/ACT Scores
- Essays

Some colleges will also want:

- Recommendation Letters

# Apply: Essays

- ◎ Some schools will require that you write certain essays. For example, Apply Texas has Essay “A,” Essay “B,” and Essay “C.” Some schools will require 2 of the 3 or require A and B, and so on.
- ◎ If a school “suggests” doing an extra essay DO IT!! Don’t even THINK about NOT doing it.
- ◎ REVIEW your essays before you send them in.
- ◎ Have it proofread, English teachers are happy to help you.
- ◎ Admissions personnel want to see individuality and want something that stands out.
- ◎ If you have overcome adversity or have a special situation, tell them about it!
- ◎ If you are writing about someone who is your role model talk about how you are like them, not just about the person - they will want to admit that person and not you.

# Apply: Application Fee

- Each university will require a one-time application fee ranging from \$25 to \$75 (many are about \$40).
- Many schools will offer a time period of no application fee.
- Fee waivers are available for College applications if you meet the requirements (ex: free or reduced lunch, see your counselor)
- Fee waivers are available for ACT/SAT/Applications, if meet requirement or extenuating circumstance. (see your counselor)

# Update Personal File/Resumé

- ◎ Be sure to update your personal file/resumé with any activities, community service and awards you have received.
- ◎ If you have NOT started a resumé, there's no time like the present! A resumé will make it easier to fill out applications and will help your teachers, coaches and your counselor write correct recommendation letters for you.
- ◎ You may list your awards by year or by activity. Many applications want items listed by type (sport, extra-curricular, etc.) and then by year.

# Get Organized!

- ◎ Keep all of your college information together!
  - ✓ A great idea is to get a crate, a folder, a bin, a desk drawer and dedicate it to college stuff! Keep it in the same place in your house so you can find it easily!
  - ✓ Use a personal email for college correspondence, not your CISD email.
- ◎ Remember to keep all of your emails from the college - they may have important messages or phone numbers you may need.
- ◎ Be sure to CHECK your email/college portal - this is how they will communicate with you! Make sure your email is appropriate!

# Acceptances

- As soon as you have made a decision on which school you will attend, send a deposit right away.
- Inform the schools whose offers you are declining.
- This helps for admission of waitlisted students sooner.
- Let your school counselor know where you will be attending and of any scholarships you receive!

# APPLY FOR FINANCIAL AID

- ◎ Go to **[www.fafsa.ed.gov](http://www.fafsa.ed.gov)** for the application. **YOU MUST FILL THIS OUT TO RECEIVE ANY FINANCIAL AID FROM ANY UNIVERSITY.**
- ◎ Be sure to have this document sent to the university of your choice.
- ◎ **FINANCIAL AID IS FIRST COME FIRST SERVED, SO TURN IN YOUR APPLICATION AS SOON AS YOU CAN!**
- ◎ **FAFSA Application posted to open October 1, 2025**
